

Jebel Sent - Sentl Tower - South West Pillar

LUADABUAM PILLAR

First ascent: O. Oelz, A. Precht,
S. Brachmayer, G. Hafner

26.11.2001

A varied and pleasant climb.

5b (pasage) 5a

TD / E2

250 metres, 2 hours

The route goes over a conspicuous pillar, which is northernmost sentl-tower.

It's a special delightful scramble through a good rock stratum.
