

A hand-drawn map on lined paper showing a survey area. The map includes several points marked with circles and crosses, connected by dashed lines. Key labels and measurements include:

- Top Left:** A point labeled "48m" with a diagonal hatched area nearby.
- Top Center:** A point labeled "4-" with a distance of "40m" to the right.
- Top Right:** A point labeled "45m" with a distance of "40m" to the right.
- Center:** A point labeled "fix 4" and another labeled "fix 4+". A distance of "30m" is marked to the right.
- Bottom Center:** A point labeled "40m" with a downward arrow.
- Bottom Left:** A point labeled "6a" and another labeled "6b+". A distance of "50m" is marked to the right.
- Bottom Right:** A point labeled "6a+" and another labeled "6a+". A distance of "50m" is marked to the right.
- Far Bottom:** A point labeled "6a" and another labeled "6b+". A distance of "50m" is marked to the right.
- Far Bottom Right:** A point labeled "30m" and another labeled "50m".
- Left Margin:** The words "big corner" are written vertically.
- Right Margin:** The words "black" and "30m" are written vertically.
