Sud Nassrani

New Route 200m to reach "Never say Never"

**L'âme est amorphe, ose!**

Arnaud PETIT

Damien JEANDENAND

**ABO = 7a<sup>+</sup> obligatoire (Abo 7c max en libre)**

200m

Splendid climb in a nice coloured and solid rock. Good variety of climbing.

Despite the bolts the climb is quite committed and requires a good self control even in easy pitch.

Shadow before 3p.m Perfect temperature
